

Strategic Pillars 2026 - 2031

Cultivating an engaged membership

01

- Providing opportunities for members to regularly communicate
- Increasing connection and support with State Chapters
- Streamlining membership process
- Increasing student membership (5% per year)
- Providing National support for Chapter regional outreach
- Regularly communicating with membership
- Increasing in-person attendance at conferences

Exemplifying leadership

02

- Membership of ANATS is recognised in the wider community
- Teachers completing the mentorship program yearly
- 2-3 National webinars yearly & 1 National conference every 2 years
- Improving visibility of Australian Voice
- Equal engagement of national and international presenters for national webinars
- Increasing awareness and applications for the Bettine McCaughan Scholarship
- Committing to promoting cultural change

Advocating for singing

03

- Building formal relationships with like-minded organisations
- Developing guidance documents & advocating for their use
- Connecting wider community with singing teachers
- Advocating for singing teachers in Australia
- Disseminating research & sharing research participation opportunities
- Lobbying organisations for change where required
